MEET THE JUDGES

Our names are Kylie and Aaron Johnson, and we own Lone Rock Longhorns in Stillwater, Oklahoma. Kylie's journey with Registered Texas Longhorns began in 2016 with the purchase of two heifers, while Aaron grew up on a commercial cow/calf operation, giving him a lifelong foundation in the cattle industry. In 2019, we combined our shared passion for cattle and have continued growing our operation together.

Today, Lone Rock Longhorns is a registered cow/calf operation with approximately 130 head. For the past four years, we've traveled across the country competing in futurities and have been fortunate to earn numerous class championships. One of our proudest accomplishments came in 2025, when one of our heifers finished in the Top 4 of the National Longhorn Futurity Race (NLFR).

We're passionate about raising quality Registered Texas Longhorns and continually improving our program, all while enjoying the friendships, opportunities, and experiences the Longhorn community has brought into our lives.
